## Percentage of All Students who Have Received One or More Out of School Suspensions by District (2011-12)

Civil Rights Data Collection 2011-12  
District Geography: U.S. Census Bureau, School District Review Program, 2011

*NOTE: For each school district, the percent of students receiving one or more out of school suspensions (OSS) is calculated by dividing the district's cumulative number of students receiving one or more out-of-school suspensions for the entire 2011-2012 school year, by the district's student enrollment based on a count of students taken on a single day between September 27 and December 31.*

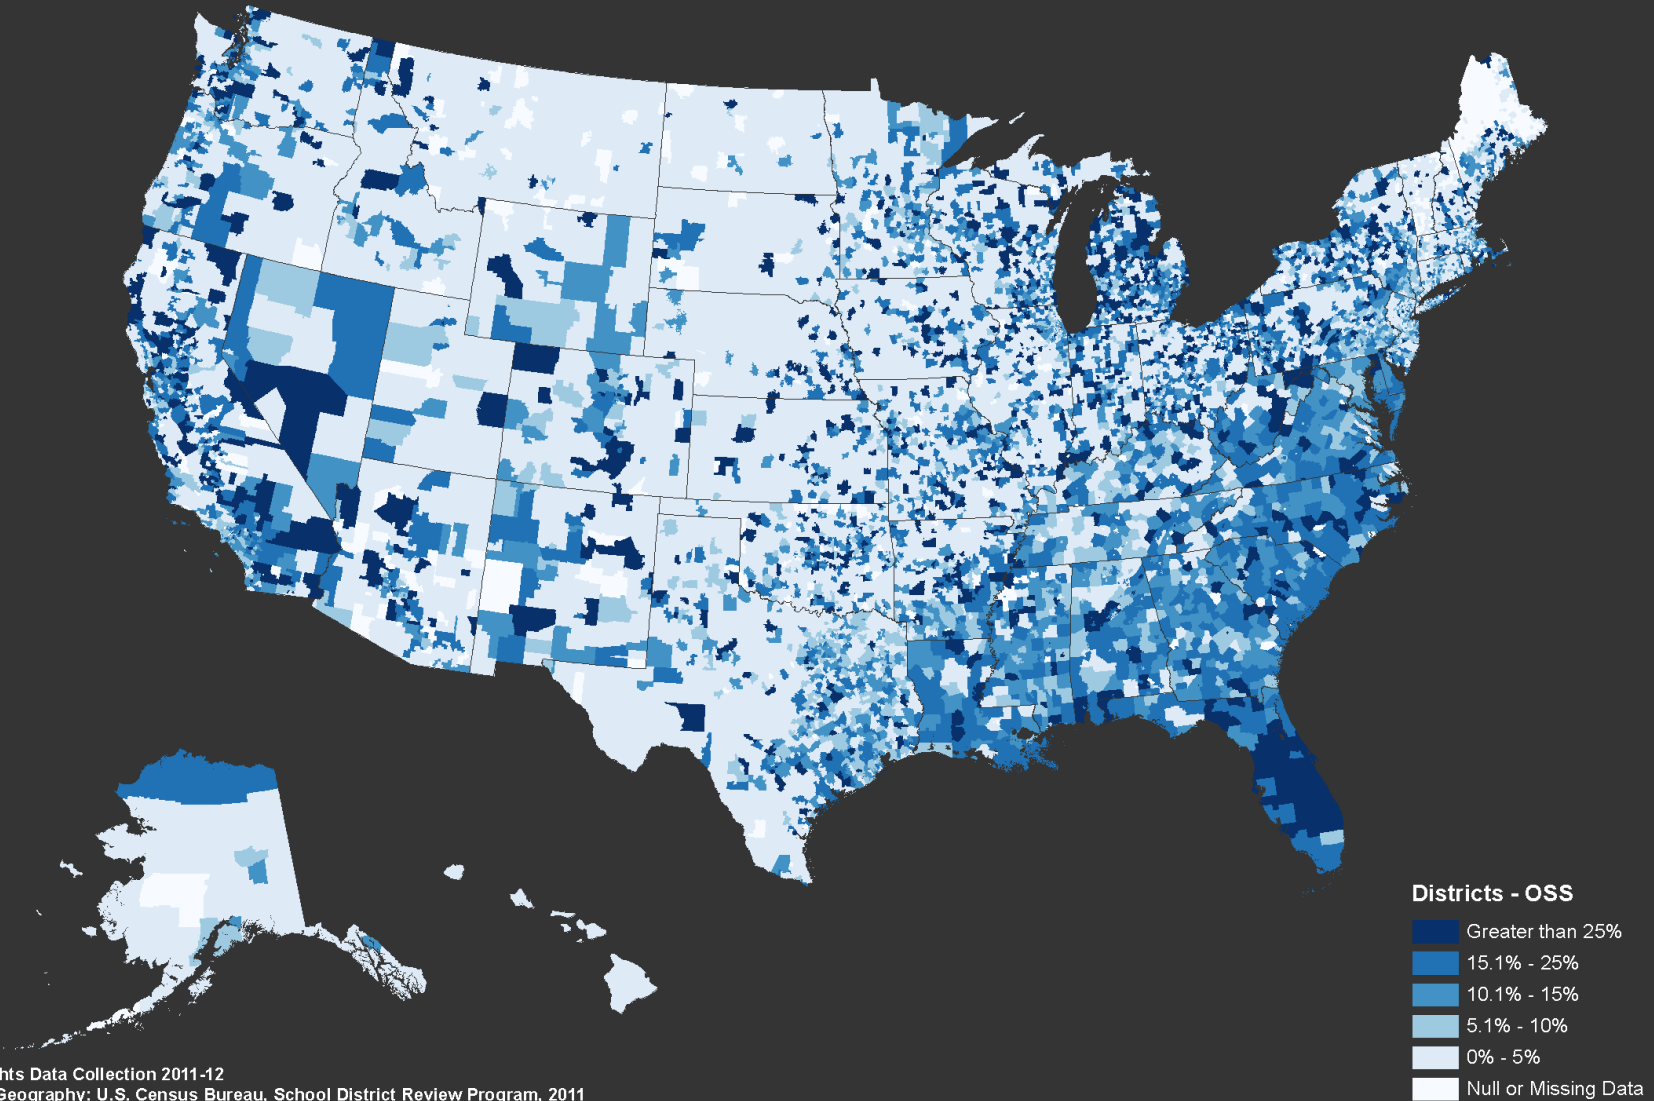

## Percentage of Students With Disabilities (IDEA) who Have Received One or More Out of School Suspensions by District (2011-12)

Civil Rights Data Collection 2011-12  
District Geography: U.S. Census Bureau, School District Review Program, 2011

*NOTE: For each school district, the percent of students receiving one or more out of school suspensions (OSS) is calculated by dividing the district's cumulative number of students receiving one or more out-of-school suspensions for the entire 2011-2012 school year, by the district's student enrollment based on a count of students taken on a single day between September 27 and December 31. Because race/ethnicity details on OSS are not available for students receiving services under 504, the OSS percentages reported for students with disabilities are restricted to data for students receiving services under IDEA.*

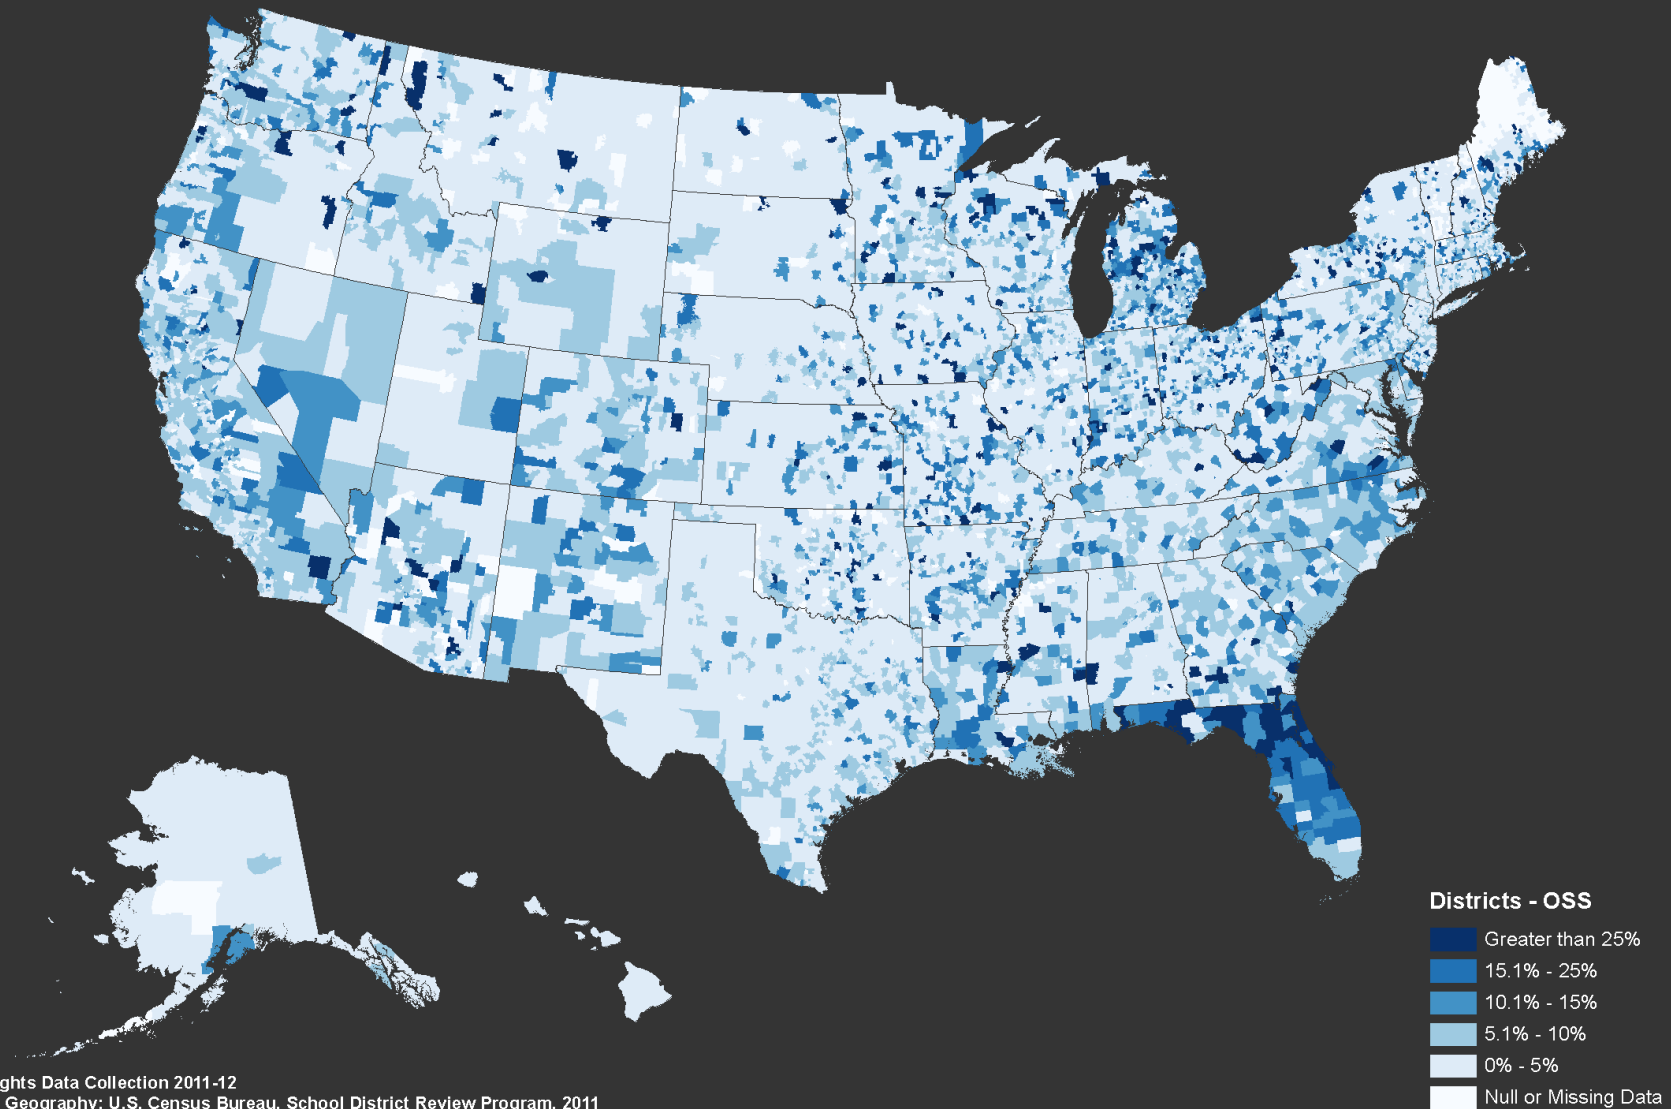

## Percentage of Black Students who Have Received One or More Out of School Suspensions by District (2011-12)

Civil Rights Data Collection 2011-12  
District Geography: U.S. Census Bureau, School District Review Program, 2011

*NOTE: For each school district, the percent of students receiving one or more out of school suspensions (OSS) is calculated by dividing the district's cumulative number of students receiving one or more out-of-school suspensions for the entire 2011-2012 school year, by the district's student enrollment based on a count of students taken on a single day between September 27 and December 31. Because race/ethnicity details on OSS are not available for students receiving services under 504, the OSS percentages reported for students with disabilities are restricted to data for students receiving services under IDEA.*

## Percentage of Hispanic Students who Have Received One or More Out of School Suspensions by District (2011-12)

*NOTE: For each school district, the percent of students receiving one or more out of school suspensions (OSS) is calculated by dividing the district's cumulative number of students receiving one or more out-of-school suspensions for the entire 2011-2012 school year, by the district's student enrollment based on a count of students taken on a single day between September 27 and December 31. Because race/ethnicity details on OSS are not available for students receiving services under 504, the OSS percentages reported for students with disabilities are restricted to data for students receiving services under IDEA.*

## Percentage of Native American Students who Have Received One or More Out of School Suspensions by District (2011-12)

### Districts - OSS

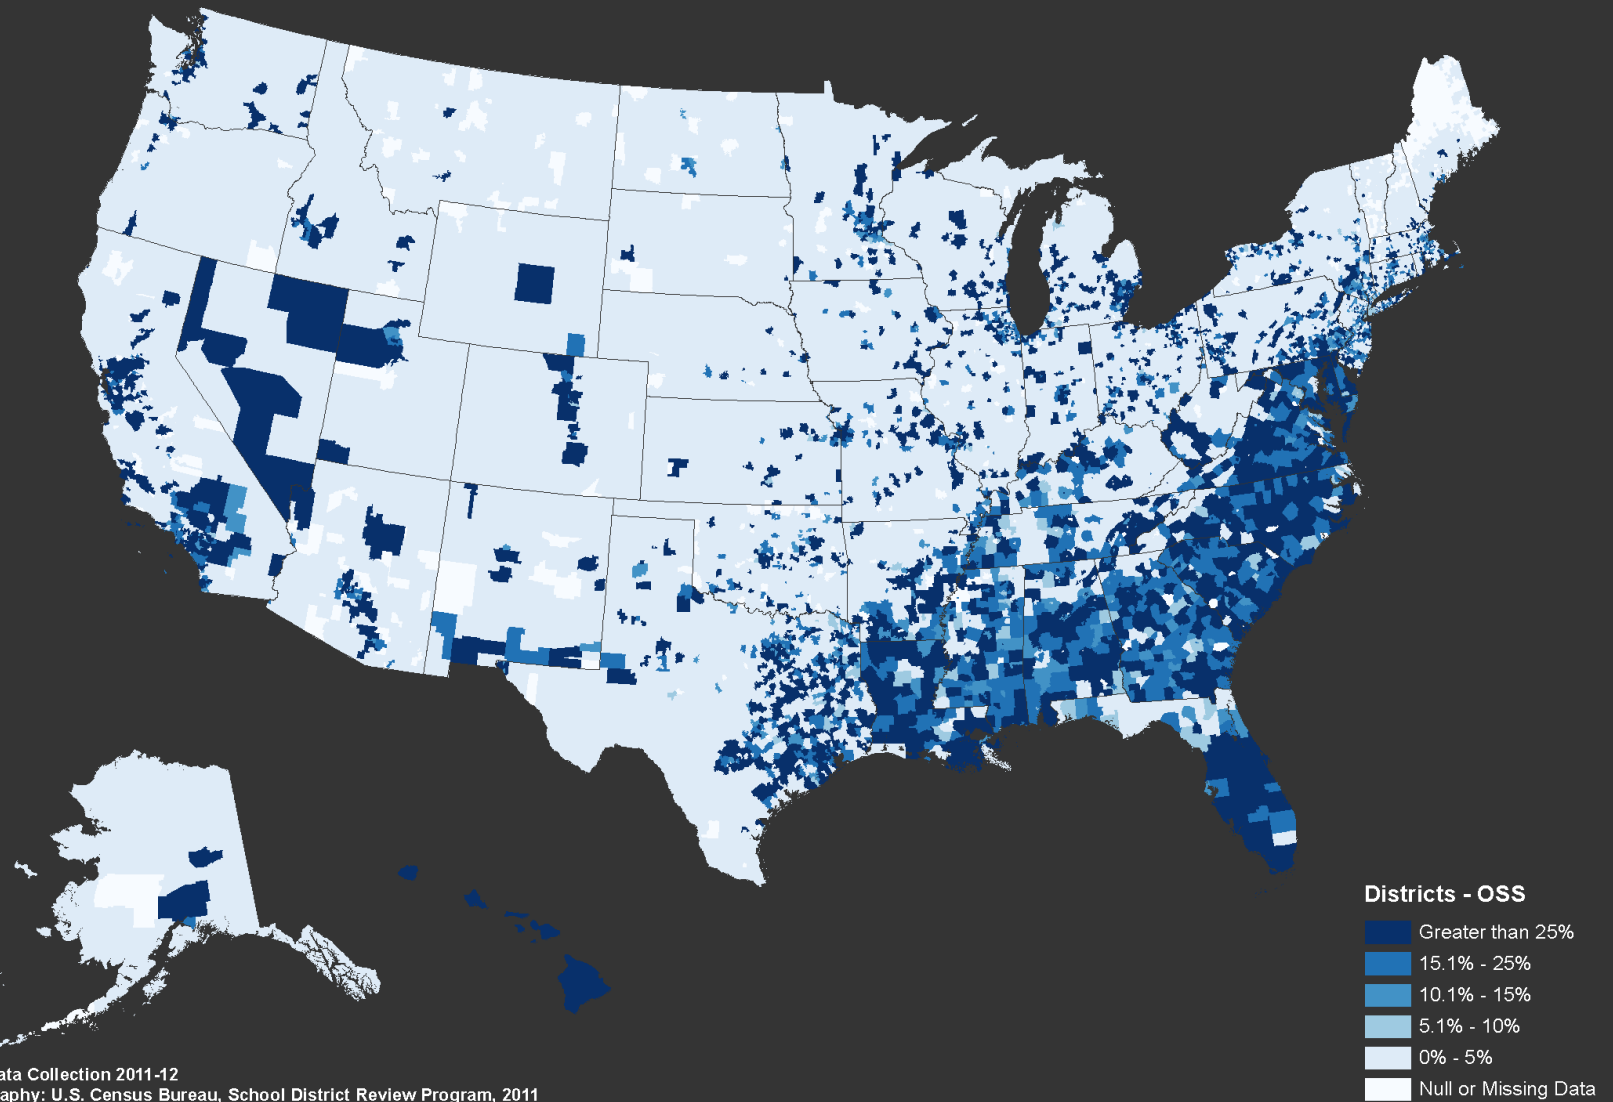

- Greater than 25%
- 15.1% - 25%
- 10.1% - 15%
- 5.1% - 10%
- 0% - 5%
- Null or Missing Data
